PER CURIAM:

Mary Frances McClinton appeals the district court's order accepting the recommendation of the magistrate judge and granting summary judgment in favor of Defendant in her civil action alleging discrimination in violation of the Americans with Disabilities Act. We have reviewed the record and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See McClinton v. F. Schumacher & Co., No. CA-04-738-22BD (D.S.C. Dec. 15, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
